Introduction

At Bramfield House School we take complaints seriously. We view them as an important way of improving what we do. Our complaints policy and procedures are clear, user friendly and readily accessible to all stakeholders, including those with disabilities. It is important to the organisation that Young People, staff, parents, carers, referring authorities and other agencies are genuinely able to raise concerns and make suggestions for changes and improvements. We are committed to listening when Young People and stakeholders have something to say about the services we offer.

Key Statements

- We are committed to delivering the best possible care and education to the young people in our care. All staff are accountable to the young people, their parents, carers, placing authorities and the local community in delivering services of the highest standard.
- All complaints will be treated confidentially except where this would put a young person at risk.
- Every Young Person's safety, welfare and well-being always remains our first concern.
- All complaints concerning Child Abuse or Allegations of Professional Abuse are brought to the attention of the LADO and the Referring Authority IMMEDIATELY.

Types of complaint might include:

- Complaint by a parent/carer/external agency or individual about a member of staff
- Complaint by a parent/carer/ external agency or individual about a young person
- Complaint by a young person about another young person
- Complaint by a young person about a member of staff

Complaints from Parents/Carers

The procedures below will be followed in the event of a complaint being made by parents or carers against the school.

Informal Complaint: If parents or carers have a complaint against the school they may initially wish to contact the school informally either by telephone, by note or personally after making an appointment. The school will investigate the complaint and will respond with the outcome within 15 working days. If you feel that the matter has not been sorted out satisfactorily by informal means you may decide to lodge a formal complaint.

Formal Complaint: Formal complaints must be made in writing (which includes email). If you make a complaint by phone, we will make a detailed record, but we will not take any formal action until we receive a written complaint. It is important that we have all the information, with all the points you want us to consider, from the start of the process. This will allow us to deal with your complaint more quickly and will reduce the need to ask for more information. You must give the reasons for your complaint clearly, with the main areas of concern set out and supported by examples.

Stage One

- The Headteacher will assess your complaint and decide who will be responsible for carrying out the investigation. You will be sent an acknowledgement within five working days of receiving the complaint. We will also confirm what we will do next and who will be responsible for contacting you again.
- We will send a response, which will aim to answer all of your points of concern, within 15 working days. This will include details of how to ask for further internal and independent review.
- If you are still not satisfied the formal complaints procedure will move to stage two.

Stage Two

If the person making the complaint is not satisfied with either the outcome or the progress being made, then an appeal may be made in writing to: Craig Ribbons - Chair of Governors, Acorn Care and Education Limited, 1 Merchants Place, River Street, Bolton, BL2 1BX.

If the complaint is from a parent / carer then they can attend and be accompanied to the appeal hearing if they wish.

Acorn Care and Education will convene a Complaints Appeals Panel. This panel will act impartially to ensure that all parties involved in the complaint have the opportunity to present their case. The panel will include:

- A representative of the school who is not involved with the original complaint /complainant
- A representative of Acorn Care and Education

- A person who is independent of the school and Acorn Care and Education

The complaints panel hearing will take place within ten working days of Acorn Care and Education being contacted. Written findings and recommendations, following the panel hearing will be provided to the complainant and, where relevant, the person complained about within 10 working days. A copy of this will be maintained in the complaints log.

Monitoring and Review

The School keeps the volume and nature of complaints received under regular review. Summary information is reported to Acorn Care and Education on a termly basis. Acorn Care and Education monitor the level and nature of complaints and review the outcomes on a regular basis to ensure the effectiveness of the procedure and make changes where necessary.

Record Keeping

We maintain a complaints log and register that records all representations or complaints, the action taken to address them and the outcomes. All correspondence, statements and records of complaints are being kept confidential but will be shown to OFSTED on request when they inspect. Copies will also be made available to the Registration Authority on request.

Records of complaints are held confidentially in the school and are kept apart from young person records. These records and any correspondence or statements relating to a complaint will remain confidential except where the Secretary of State or a body conducting an inspection under Section 109 of the Education and Skills Act 2008, The Education and Inspection Act 2006 and The Childcare Act 2006.

Complaints from Pupils

The procedures below will be followed in the event of a pupil making a complaint against a member of staff, a fellow pupil or any other person or situation either in school or outside.

Pupils may wish to talk to an adult they trust about a situation relating to school or to a situation outside school. Pupils are reminded that, although they may speak to any member of staff, there may be occasions where information will have to be referred to other agencies such as Social Services.

Within school, pupils may talk to any member of Education Staff.

A pupil may merely need a trusted adult to talk a situation through with and may not be making a formal complaint. However all actual complaints made by pupils will be recorded by the member of staff in the Complaints Log. *Where the complaint suggests a Child Protection issue a formal referral will be made to the local Safeguarding board in line with Bramfield House Schools' Safeguarding & Child Protection Policy.

The school's response to the complaint will also be recorded. If the complaint is serious the pupil's parents/carers will be informed of both the complaint and the outcome. Some complaints will be referred to other agencies or to the Local Authority. If necessary a meeting will be called to discuss the issues further.

If a complaint is upheld the school undertakes to respond to all recommendations and with appropriate actions. The school will regularly review this policy and undertakes to evaluate and to respond to recommendations in an ongoing attempt to improve practice. .

A pupil may ask to speak to an adult from an outside agency. The school will wherever possible put the pupil in contact with a representative of the appropriate agency. The referral will be noted in the pupil's file.

We will try to resolve the complaint within 2 weeks from the day the pupil made the complaint.

*See the schools **Safeguarding & Child Protection Policy** for further guidance.
