

Decide which of the statements below are true or false: fact (something that can be proved) or fiction.

	True	False
A good argument is persuasive		
A good argument acknowledges the opposite point of view		
A good argument repeats the same point again and again		
A good argument includes a range of points		
A good argument includes a range of persuasive techniques		
A good argument can only be produced by professional writers		
A good argument will be structured in a considered way		
A good argument will make you want to go to your room in fury		
A good argument will use linking words to connect paragraphs		
A good argument is a good balance of the main point of view and counter argument		

Now, write three facts and three non-facts (fiction).
