

Lower KS2 Trip to Bewilderwood

Thursday 18th July 2019

Years' 3, 4 & 5 enjoyed an exciting day with the Twiggles and the Boggles at Bewilderwood Treehouse Adventure in Hoveton.

The day-boys got a lie-in and didn't have to come to school by taxi as Zahra, Debs & Karon, picked them up en route. We arrived at 10.15am and we all took a wet walk along the twisty path into the heart of Bewilderwood.

After a urgent toilet break, the boys' first activity was climbing up onto The Broken Bridge, following the paths all around and crossing a very high and very wobbly bridge. This brought us down into the Muddle Maze. The boys (and staff!) then had a great time sliding down the three slides at the Slippery Slope.

During an active lunchtime the boys swung on triple-seater swings and tackled the obstacle course in the Far Tree Activity Area. Once their food had gone down (safely!), we heard a chorus of "Can we go on the zip wires next?" The boys challenged each other to races on the Wobbly Wires. Karon did very well in her race against Bobby!

We wandered along the meandering footpath through The Twiggie Village and saw some of their tiny houses and walkways high-up in the trees. We then went to the Sky Maze and the boys and Gary vanished inside for a very long time! Some boys did some Den Building in the top woods and once we'd rounded everyone up we went to the Tricky Tunnels and the boys had to work out how to get out once they'd got in!

We finished our day with another wet trip, this time in a beautiful pink boat, across the Scaaaary Lake, past Mildred the Crocklebog. Then a quick trip to the Bat Stop Shop followed by a very happy, but sleepy journey home.
