

BRADLEY

2026 LEAVER

I joined Bramfield House School in Year 5, and looking back it has played a huge part in shaping the person I am today. During my time there, I developed my confidence, independence, communication skills, and the belief that I could achieve my goals. The staff always supported me through challenges and encouraged me to keep pushing forward.

Bramfield is more than just a school to most. It's a place where students are understood, supported, and given opportunities to grow both academically and personally. The encouragement and guidance I received from staff over the years helped me develop important life skills, and gain the confidence to take on new challenges.

The support and opportunities provided by Bramfield helped prepare me for the future and develop valuable skills for employment and adult life. I will always be grateful for the staff who believed in me, celebrated my achievements, and helped me become the person I am today.

Following my time at Bramfield House School, I secured an IT Support Technician Apprenticeship with Eastern Cash Registers, allowing me to turn my passion for technology into a career. I am excited for the next chapter in my life. Post-Bramfield.

IT SUPPORT TECHNICIAN

Bradley Goodin -

Bradley attended Bramfield House School, where he developed his confidence, independence, and communication skills. Throughout his time at the school, staff supported him in overcoming challenges and encouraged him to pursue his passion for technology and IT.

The support and opportunities provided by Bramfield helped Bradley prepare for the future and develop valuable skills for employment and adult life.

Following his time at Bramfield House School, Bradley has secured an IT Support Technician Apprenticeship with Eastern Cash Registers.

Bradley's advice to current students is to make the most of every opportunity, ask for help when needed, and never give up on your goals.
